

Elementary Enrollment Guidelines

Dear Elementary Parents,

We would like to thank you for your interest in Land O' Lakes Christian School. Your student has reached an exciting time in his/her life. We here at LOLCS are looking forward to having the opportunity to work with you in educating your student. We look forward to an exciting school year filled with many new opportunities.

Application Procedure

1. Schedule an interview with the Elementary Principal. A brief history of the church and school will be presented along with a summary of the school's philosophy, standards, and policies. **Please bring report cards and achievement test results for the past two (2) years to the interview.**
2. Complete the Online Admission Application. Online applications and application fees (non-refundable) will be accepted during the Open Enrollment period.
3. LOLCS has a selective enrollment policy. Students with significant academic or behavioral concerns or major doctrinal differences may not integrate well into our school program. If we determine this to be the case, the application fee is fully refundable.

Enrollment Procedure

1. Once the student has been accepted for enrollment, additional documents may be provided to the family to be completed prior to the start of school.
2. Your family will be contacted to arrange entrance testing.
 - The testing is used to identify the student's strengths and weaknesses; it is not a "pass or fail" exam.
 - The school administration will contact your family with the testing results and may offer suggestions for summer study to prepare the student for class.
 - The New Student Testing Fee (\$50) is due at the time of the testing.
3. In addition, the following documents will be needed in order for your student to begin school:
 - **Copy of Birth Certificate**
 - **Student Health Exam Form** (DH 3040 - original)
 - **Florida Certificate of Immunization** (DH 680 - original)
